

# COUNT EVERY SLICE

## EVERY SLICE COUNTS

**Knowing how many slices you have  
helps to plan meals and reduce waste\***

**AN AVERAGE LOAF HAS 20-24 SLICES, INCLUDING THE END SLICES.  
WITH THIS, YOU COULD MAKE 10-12 SANDWICHES, A HEAP OF  
HOMEMADE CROUTONS, OR A BAG OF BREAD CRUMBS  
SEASONED TO YOUR LIKING.**
